Resolution 1: Remuneration Report

The Remuneration Report for the year ending 30 June 2017, which forms part of the Directors' Report and details the Company's remuneration policies, is set out on pages 39 to 56 of the Company's Annual Report.

In response to the challenging business conditions in the upstream oil and gas industry and to establish substantially lower long-term remuneration cost structures significant changes have been made to the Company's remuneration structures including:

- Nil salary increases for NEDs and senior executives for the June 2016, June 2017 and June 2018 financial years;
- Nil STIs for any employees for the financial years ending June 2016 and June 2017, despite Company performance against KPIs being assessed at 40% for both financial years;
- Not replacing a NED who retired during the June 2016 financial year;
- Removal of the retention component of the Company's LTI Plan;
- Discontinuation of retention based arrangements for senior executives; and
- Restructure of senior executive management committee membership to align with the Company's reduced asset base and geographic spread at a substantially lower long-term fixed and at risk remuneration base.

It is not envisaged that there will be any other significant changes to remuneration practices in the June 2018 financial year.

Deferral and Clawback of Performance-Based Remuneration

Scope

A deferral and clawback policy has been adopted for performance-based remuneration which applies to the CEO/Managing Director and senior executives. The Board (or delegated committee of the Board) has discretion and authority to make determinations under this policy.

Application

Clawback can include reduction, clawback or cancellation of awards and applies to both vested awards which have been deferred and awards granted but not yet vested. Once an STI or LTI award is vested, 50% of that award will be deferred for a period of 12 months and will be subject to clawback.

Clawback Circumstances

The circumstances in which STIs and LTIs can be clawed back are:

- serious misconduct;
- material misstatement in AWE's financial statements; or
- material error or miscalculation that results in the award of performance based remuneration that would not have otherwise been awarded.

The vote on this resolution is advisory only and does not bind the Directors or the Company but shareholders will be given reasonable opportunity to ask questions on the Remuneration Report. The Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies of the Company.

A voting exclusion applies to this Resolution 1 (refer below under the heading 'Voting Exclusion Statement').

The Directors recommend that you vote in favour of this ordinary resolution.

The Directors (excluding Mr Rigg) recommend that you vote in favour of this ordinary resolution.

Note: Mr Bruce Phillips also retires by rotation in accordance with the Company's Constitution, but is not offering himself for re-election as a director of the Company.

Resolution 3: Grant of Cash Share Rights to Mr David Biggs

Background

As more fully described in the Remuneration Report on pages 39 to 56 of the Company's Annual Report, the Company has adopted an Employee Cash Share Plan ("Plan") for the CEO/Managing Director, Senior Executives and employees. The Plan is designed to generate long-term at-risk performance-based awards by the granting of cash share rights (or "rights") that may be converted, at the Board's discretion, into AWE shares, cash or other employee benefits.

While shareholder approval for a grant under the Plan is not required by the Corporations Act or the Listing Rules, the Board nevertheless believes it is appropriate as a matter of good corporate governance that any grants under the Plan to the CEO/Managing Director should be the subject of shareholder approval and that approval be sought now under Listing Rule 10.14 for the issue of shares to Mr Biggs to give the Company the flexibility to issue shares in satisfaction of vested rights in the future. Where shareholder approval is provided for the purposes of Listing Rule 10.14, further shareholder approval for purposes of Listing Rule 7.1 is not required.

Grants of rights to the CEO/Managing Director are subject to deferral and clawback, as more fully described in the Explanatory Memorandum for Resolution 1.

The Board (excluding Mr Biggs) is proposing that Mr Biggs be granted rights vesting on 30 June 2020 as detailed in the section below dealing specifically with the grant to Mr Biggs.

Plan Summary

Key elements of the Plan in respect of grants to the CEO/Managing Director are:

- grants are made each year;

- the grant is determined by the level of fixed remuneration and by taking into account performance in the previous financial year and is calculated by reference to the 30-day volume weighted average price (“VWAP”) of the AWE share price in June of the grant year;
- grants have a vesting period of three years; and
- there are two types of rights with separate vesting criteria:
 - Absolute TSR rights; and
 - Relative TSR rights.

TSR = Total Shareholder Return being the percentage change over the relevant period in shareholder value due to share price movement and dividends assuming they are re-invested in AWE shares, as determined by the Board.

Note that Retention Rights are not granted to the CEO/Managing Director and are no longer granted to any employees. The basis of calculation at the grant date and the criteria for vesting of each type of grant is as follows:

Absolute TSR Grants:

- each grant is calculated using the 30-day VWAP of AWE's share price in June of the grant year; and
- each grant vests according to the table below based on the Company's TSR over the three year vesting period to 30 June 2020:

| Absolute TSR Rights granted for the three year period vesting 30 June 2020 | |
|---|---------------------|
| AWE TSR | % of rights to vest |
| < 8% pa compound | 0 |
| 8% pa compound | 25% |
| >8% and <10% pa compound | Pro rata |
| 10% pa compound | 50% |
| >10% and <12% pa compound | Pro rata |
| 12% compound | 100% |

Relative TSR Grants

- each grant is calculated using the 30-day VWAP of AWE's share price in June of the grant year; and
- each grant vests according to the table below based on the Company's TSR relative to upstream oil and gas companies in the ASX300 Energy Index at 30 June 2020. Accordingly the TSR performance of these comparator companies will be measured at the end of the three year period to determine the relative performance of the Company:

| Relative TSR Rights granted for the three year period vesting 30 June 2020 | |
|---|---------------------|
| AWE TSR relative to TSR of companies in S&P/ASX 300 Energy Index | % of rights to vest |
| < 50% | 0 |
| 50% | 25% |
| >50% and <90% | Pro rata |
| 90% and above | 100% |

Vested rights entitle Mr Biggs to a vested award which varies with the Company's future share price. Mr Biggs may at any time after vesting request the Board to pay out vested rights and the Board may approve or decline the payout request. If not paid out in cash or other employee benefits at the time of vesting or request, at the discretion of the Board the entitlements may be satisfied by issue of shares or purchase and delivery of shares to the grantee either directly or through an employee share acquisition trust (or “ESAT”). Note that there is currently no ESAT in place. The Board may determine to pay out vested rights at any time (whether or not the grantee has requested it be paid out).

The following table indicates the treatment of rights on termination of employment under the Plan.

| Termination Circumstance | Treatment of Unvested Award Opportunities |
|---|---|
| Dismissal (termination for cause) | Forfeit any and all entitlements in relation to the Cycle. |
| Resignation (other than as set out below) | Any and all opportunities in relation to the Cycle will be forfeited unless and to the extent otherwise determined by the Board. To the extent not forfeited, participation in the Cycle in respect of |

| | |
|--|---|
| | the Absolute TSR and Relative TSR Performance Measures will continue on a pro rata basis as if the employee had remained an employee. |
| Resignation (including 'retirement') after 10 years of service with the consent of the Board | If the date of termination falls after the end of the first year of the Measurement Period for the Cycle then participation in the Cycle in respect of the Absolute TSR and Relative TSR Performance Measures continues on a pro rata basis as if the employee had remained an employee. |
| Company initiated termination without cause e.g. retrenchment and redundancy | If the date of termination falls within the first year of the Measurement Period for the Cycle then any and all entitlements in relation to the Cycle will be forfeited unless and to the extent otherwise determined by the Board. To the extent not forfeited, participation in the Cycle in respect of the Absolute TSR and Relative TSR Performance Measures will continue on a pro rata basis as if the employee had remained an employee. |
| Death or Total Permanent Disablement (termination for illness) | Participation in the Cycle continues in full as if the employee was still an employee. |

Note: In the above table pro rata means the number of days from the commencement of a Cycle to the end date of employment divided by the total number of days in a Cycle.

Unvested rights at the time of a change-in-control of the Company would be closed off and the extent of vesting, if any, would be determined at the discretion of the Board. Vested rights would be paid out unless otherwise determined by the Board.

If the Board forms the opinion that a grantee has committed an act of fraud, defalcation or gross misconduct, the grantee forfeits all rights under the Plan including those that have become or could otherwise have become vested, provided they have not been paid out.

The maximum grant that may be made under the Plan to Mr Biggs as a percentage of fixed remuneration are set out in the table below:

| Absolute TSR vesting condition | Relative TSR vesting condition | Total |
|--------------------------------|--------------------------------|-------|
| 50% | 50% | 100% |

Grant to Mr Biggs

As per the Executive Services Agreement disclosed to ASX on 18 March 2016 the Board has the discretion to grant annual rights to Mr Biggs of up to 100% of fixed remuneration and has determined, subject to shareholder approval, that 70% of the maximum rights entitlement be granted to Mr Biggs as follows:

| | |
|---|-----------------------------|
| Fixed remuneration at 30 June 2017 | \$800,000 |
| 30 day VWAP of AWE share price for June 2017 | \$0.4448 |
| Absolute TSR Rights to be granted as a percentage of fixed remuneration | 35.0% |
| Relative TSR Rights to be granted as a percentage of fixed remuneration | 35.0% |
| Number of Absolute TSR Rights | 629,496 |
| Number of Relative TSR Rights | 629,496 |
| Total number of Rights | 1,258,992 |
| Vesting Period | Three years to 30 June 2020 |

Vesting of these rights, if any, will entitle Mr Biggs to an amount that will vary with the AWE share price at the time of vesting. The extent of vesting will depend upon the Company's Absolute TSR and Relative TSR performance over the vesting period as per the vesting tables described under the Plan Summary above. In effect and subject to the terms of the Plan, if the rights vest Mr Biggs will be entitled to a monetary amount equal to the number of vested rights multiplied by the AWE share price at the time of vesting or to acquire a number of AWE shares equal to the number of vested rights.

This number of rights represents the maximum number of rights that can vest if all vesting conditions are fully satisfied. Note the rights granted to Mr Biggs:

- are contracted rights and not securities unless and until such time as vesting occurs and the Board determines that shares are either to be issued or acquired to satisfy the vested contractual rights;

- accordingly, there are no inherent voting rights or rights to participate in new issues of securities by the Company pending vesting of the rights. Such rights would only arise should the rights vest and be satisfied by Mr Biggs acquiring shares, in which case the rights acquired by Mr Biggs would be the same as those available to any other holder of shares in the Company; and
- in the event of bonus issues, rights issues or other capital reconstructions or similar event during the vesting period that may impact on the market value of an AWE share, under the Plan the Board may make such adjustments to the commencing share price used to calculate the value of the grant and therefore the number of rights granted as it sees fit, with the object of ensuring that Mr Biggs is neither advantaged nor disadvantaged by the event or events. Any such adjustment would have regard to the application of the Listing Rules applicable to re-organisations.

For the purpose of Listing Rule 10.14, assuming approval is given to this Resolution 3:

- subject to any adjustment for bonus issues, rights issues or other capital reconstructions or similar events referred to above, the maximum number of AWE shares Mr Biggs may acquire is 1,258,992 shares;
- the issue price of any securities acquired by Mr Biggs by way of issue of shares in satisfaction of vested rights will be the market price of AWE shares at the time of vesting and will be issued for nil consideration;
- approval was previously granted under Listing Rule 10.14 for the following maximum issue of shares under the Plan to Mr Biggs:
 - 920,282 shares for rights vesting 30 June 2019 (granted under the 2017 annual remuneration cycle).

These were issued for nil consideration and the number issued are subject to adjustment in accordance with the Plan.

- all full-time and part-time permanent employees of the AWE Group are eligible to participate in the Plan. However, Mr Biggs is currently the only person entitled to participate in the Plan for whom approval is being sought under Listing Rule 10.14 (which if granted will mean that no approval will later be required under Listing Rules 10.11 or 10.14 for the issue of the relevant securities);
- there is a voting exclusion applicable to this Resolution 3 (refer below under the heading 'Voting Exclusion Statement');
- no loan is required for acquisition of shares by way of issue as the shares will be acquired using the proceeds of the contractual entitlements arising on vesting of the grants;
- details of securities issued under the Plan will be published in each Annual Report relating to a period in which securities are issued with approval under Listing Rule 10.14 together with a statement that approval for the issue of those securities was obtained under that Listing Rule;
- additional persons referred to in Listing Rule 10.14 who become eligible to participate in the Plan and require approval under Listing Rule 10.14 but are not named above, will not participate in an issue of securities under the Plan until approval is obtained under Listing Rule 10.14; and
- if securities are issued in satisfaction of a vested grant, they will be issued no later than 3 years after the date of the Annual General Meeting or last adjournment of the meeting (as applicable), at which this Resolution 3 is approved.

Mr Biggs's remuneration currently comprises:

- fixed remuneration of \$800,000 per annum (inclusive of superannuation) reviewed annually on 1 July (with no salary increase for the June 2018 financial year);
- short-term performance benefits of up to 50% of his fixed remuneration (i.e. up to \$400,000) subject to satisfaction of KPIs approved by the Board. For the 2017 financial year, these KPIs are based on a balanced scorecard approach and include corporate performance measures including delivery of operating business (60%), strategy and growth (20%), and board discretion (20%) allowance for discretionary items (with no short-term incentive awarded for the June 2017 financial year);
- long-term performance benefits in the form of rights under the Plan, a description of which is referred to earlier; and
- relocation benefits, car parking and personal insurances.

Both short-term and long-term performance related benefits are subject to deferral and clawback as described earlier.

The directors (excluding Mr Biggs) recommend that you vote in favour of this ordinary resolution.

Voting Exclusion Statement

Resolution 1: Remuneration Report

As required by the Corporations Act, no member of the Company's key management personnel, details of which are included in the Remuneration Report on pages 39 to 56 of the Annual Report, or a closely related party of any such member may vote on this Resolution 1 unless:

- the person votes as a proxy appointed by writing that specifies how the person is to vote on the resolution and the vote is not cast on behalf of any such member or closely related party of such member; or
- the person is the chair of the meeting and the appointment of the chair as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the chair to exercise the proxy even if the resolution is directly or indirectly connected with the remuneration of a member of the key management personnel for the Company.

Resolution 3: Grant of Cash Share Rights to Mr David Biggs

As required by the ASX Listing Rules, the Company will disregard any votes cast on the proposed Resolution 3 by Mr Biggs or by any associate of Mr Biggs. However, the Company need not disregard a vote on Resolution 3 if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the direction on the Proxy Form; or
- it is cast by the Chairman of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

As required by the Corporations Act, no member of the Company's key management personnel or a closely related party of any such member may vote as proxy on Resolution 3 unless the person:

- votes a proxy appointed by writing that specifies how the person is to vote on the Resolution 3; or

General

It is the intention of the Chairman of the meeting to vote undirected proxies in favour of Resolution 1 (relating to the Remuneration Report) and in favour of all other Resolutions to be considered at the meeting. In exceptional circumstances, the Chairman of the meeting may change their voting intention on any resolution, in which case an ASX announcement will be made.

Shareholders appointing a proxy who do not want the Chairman to vote for them or do not want the Chairman to vote in accordance with the Chairman's intentions on these Resolutions as stated above or as changed under exceptional circumstances, have the ability to:

- appoint the Chairman as proxy with a direction to cast votes contrary to the Chairman's stated voting intentions by instructing the Chairman to vote 'for', 'against' or to 'abstain' from voting on these Resolutions under 'Step 2' of the proxy form; or
- appoint a person other than the Chairman as proxy or attorney with or without a direction to cast votes 'for', 'against' or to 'abstain' from voting on these Resolutions (as the shareholder considers appropriate).
