#### Voting exclusions for Item 2 – Remuneration Report

For all resolutions that are directly or indirectly related to the remuneration of a member of the Key Management Personnel (KMP) of the Company (being the resolution in respect of Item 2), the Corporations Act 2001 (Cth) (Corporations Act) restricts KMP and their closely related parties from voting in certain circumstances.

Closely related party is defined in the Corporations Act and includes a spouse, dependant and certain other close family members, as well as any companies controlled by the KMP.

The Company will disregard any votes cast on Item 2:

- (a) by, or on behalf of, a member of the KMP (including the Directors) named in the Remuneration Report and their closely related parties, regardless of the capacity in which the vote is cast; or
- (b) as a proxy by a person who is a member of the KMP at the date of the Meeting or who is a closely related party of a member of the KMP, unless the vote is cast as proxy for a person entitled to vote on Item 2:
  - (i) in accordance with a direction on the proxy form; or

(ii) by the Chair of the Meeting pursuant to an express authorisation to exercise the proxy as the Chair sees fit even though the item is connected with the remuneration of the Company's KMP.

#### Voting exclusions for Item 4 - Grant of Performance Rights to CEO

The Company will disregard any votes cast in favour of Item 4:

- (a) by Mr Owen Wilson or his associates regardless of the capacity in which the vote is cast; or
- (b) as a proxy by a person who is a member of the KMP at the date of the Meeting or who is a closely related party of a member of the KMP, unless the vote is cast as proxy for a person entitled to vote on Item 4:
  - (i) in accordance with a direction on the proxy form; or
  - (ii) by the Chair of the Meeting pursuant to an express authorisation to exercise the proxy as the Chair sees fit even though the item is connected with the remuneration of the Company's KMP.

#### **PROXIES**

#### Appointing a proxy

If you are entitled to attend and vote at the Meeting, you can appoint a proxy to attend and vote on your behalf. A proxy need not be a shareholder of the Company, and may be an individual or a body corporate. A personalised proxy form is included with this Notice of Meeting. If you are entitled to cast two or more votes you may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If you do not specify a proportion or number, each proxy may exercise half of the votes. If you require a second proxy form, please contact the Company's share registry, Link Market Services Limited on +61 1300 554 474.

The Company encourages all shareholders who submit proxies to direct their proxy how to vote on each item of business. You may specify the way in which the proxy is to vote on each resolution (ie. by marking the boxes 'for', 'against' or 'abstain' next to the applicable resolutions on the proxy form) or you may allow the proxy to vote at his or her discretion. However, the Company's KMP (which includes each of the Directors) and their closely related parties will not be able to vote as your proxy on Item 2 or Item 4 unless you direct them how to vote. If you intend to appoint a member of the KMP, other than the Chair of the Meeting, as proxy, you must ensure the proxy is directed how to vote on Item 2 and Item 4.

If you intend to appoint the Chair of the Meeting as proxy (or the Chair becomes your proxy by default), you can direct the Chair how to vote by marking the appropriate boxes on the proxy form (ie. 'for', 'against' or 'abstain'). If you do not mark any of the boxes in Step 2, by signing and returning the proxy form and by marking the Chair's box in Step 1, you are expressly authorising the Chair of the Meeting to exercise your proxy on Item 2 and Item 4 as the Chair sees fit, notwithstanding that those items are connected with the remuneration of the Company's KMP.

The Chair of the Meeting intends to cast all available proxies in favour of each item of business.

If you appoint a proxy and direct them how to vote, and your proxy does not attend the Meeting or does not vote if a poll is called on an item of business, your directed proxies will automatically default to the Chair of the Meeting, who is required to vote proxies as directed on a poll.

#### Item 4 - Grant of Performance Rights to Chief Executive Officer

The Board is seeking the approval of shareholders for the grant of performance rights to the value of \$799,976.95 under the REA Group long-term incentive plan (Plan) to the Chief Executive Officer (CEO), Mr Owen Wilson.

Shareholder approval is not required in relation to the grant of performance rights under the Plan as any shares allocated to Mr Wilson under the Plan will not be issued by the Company but will be acquired on market. The Board is nevertheless seeking shareholder approval in recognition of the importance of shareholder engagement on key remuneration issues.

The performance rights allocated during the year are subject to a three year performance period beginning 1 July 2019 and ending 30 June 2022. The Group refers to this grant as "LTI Plan 2022" as the performance period ends in FY22.

#### When are performance conditions tested?

Incentive payments are determined in line with the approval of the Financial Statements at the end of the performance period.

#### How is the LTI grant determined?

The number of performance rights issued to Mr Wilson is calculated by dividing the value of Mr Wilson's performance rights by the value per right. The value per right is determined on a face value basis using a five-day VWAP prior to the issuance of performance rights. Each performance right is a right to acquire one share in the Company upon vesting.

#### Relationship between performance and vesting

The following vesting schedule applies to both performance hurdles (revenue CAGR and EPS CAGR) of the LTI Plan 2022:

Performance level	% of awards vesting
Below threshold	0% vesting
Threshold	80% vesting
Target	100% vesting
Stretch	200% vesting

Further details are contained in the Company's Annual Report.

#### Why were these performance conditions chosen?

The Board considers the combination of the revenue and EPS hurdles to be an appropriate counterbalance to ensure that any 'top line' growth is long-term focused and balanced with an improvement in earnings.

In particular, revenue is considered to be an appropriate hurdle given that the Company continues to be in a phase of growth. In addition, the Board selected EPS as a performance measure on the basis that it:

- is a relevant indicator of increase in shareholder value; and
- is a target that provides a suitable line of sight to encourage and motivate executive performance.

#### Why don't we publish performance target information?

The Board considers that the growth rates required to attract full or partial vesting are commercially sensitive and therefore do not disclose them to the market. The Board however, confirms its commitment to driving growth for shareholders over the longerterm as it continues to consider the Company a growth company.

For the LTI Plan 2022 granted, the Board approved challenging threshold, target and stretch growth rates in respect of both the revenue and EPS hurdles, which are based on the Company's strategic plan and reflective of the Company's continued growth objectives.

#### Additional information

As the performance rights form part of Mr Wilson's remuneration package, no money is payable by Mr Wilson on the grant of the performance rights or on exercise of a performance right.

Mr Wilson has previously been granted performance rights in his capacity as Chief Financial Officer of the Company, as previously disclosed in the Company's Remuneration Reports. Since the date of the last AGM, Mr Wilson received 2,014 additional performance rights under the Plan. These performance rights were issued for no monetary consideration as they formed part of Mr Wilson's remuneration package. Shareholder approval was not required, and was not sought, at the last AGM for the issue of these performance rights.

Mr Wilson is the only Director entitled to participate in the Plan. Non-executive Directors are ineligible to participate in the Plan.

If shareholders approve the resolution, then the performance rights will be granted to Mr Wilson as soon as practicable after the date of the meeting but in any event no later than 12 months after the meeting (i.e. by no later than 19 November 2020).

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

The Board unanimously recommends that shareholders vote in favour of Item 4.

The Chairman of the Meeting intends to vote all available proxies in favour of this item of business

Once you have finished voting on the resolutions scroll down to the bottom of the box and click the blue 'Cast Vote' or 'Cast Partial Vote' button.

**Note:** You are able to close your voting card during the meeting without submitting your vote at any time while voting remains open. Any votes you have already made will be saved for the next time you open up the voting card. The voting card will appear on the bottom left corner of the webpage. The message '**Not yet submitted**' will appear at the bottom of the page.

You can edit your voting card at any point while voting is open by clicking on 'Edit Card'. This will reopen the voting card with any previous votes made.

If at any point you have submitted your voting card and wish to make a change while voting is still open you can do so by clicking the 'Edit Card' button and making the required change. Once you have completed your card select the blue 'Cast Vote' or 'Cast Partial Vote' button.

The voting card remains editable until the voting is closed at the conclusion of the Annual General Meeting. Once voting has been closed all voting cards, submitted and un-submitted, will automatically be submitted and cannot be changed.

At the conclusion of the Annual General Meeting a red bar with a countdown timer will appear at the top of the Webcast and Slide windows advising the remaining voting time available to shareholders. Please make any changes required to your voting cards at this point and submit your voting cards.

If an additional resolution is proposed during the meeting, there will be a short delay while the resolution is added to the voting card. Once the resolution has been added you will be notified by the Chairman during the meeting. In order to vote on the extra resolution you will need to reopen your voting card to cast your vote by clicking the 'Edit Card' button.

Note: Registration for the Annual General Meeting and voting opens one hour before the meeting begins.

# 2. How to ask a question

Note: Only shareholders are eligible to ask questions.

You will only be able to ask a question after you have registered to vote. If you would like to ask a question, click on the 'Ask a Question' box either at the top or bottom of the webpage.

The 'Ask a Question' box will then pop up with two sections for completion.

In the 'Regarding' section click on the drop down arrow and select one of the following categories:

- General Business
- Resolution 4
- Resolution 2
- Resolution 3a
- Resolution 3b

After you have selected your question category, click in the 'Question' section and type your question.

When you are ready to submit your question - click the blue 'Submit Question' button. This will send the question to the Management/Board.

Note that not all questions are guaranteed to be answered during the Annual General Meeting, but we will do our best to address your concerns.

Once you have asked a question a 'View Questions' box will appear.

At any point you can click on 'View Questions' and see all the questions you have submitted. Only you can see the questions you have asked.

Note: You can submit your questions by this method one hour before the meeting begins, if you have registered to vote. You can continue to submit questions up until the close of voting.

If your question has been answered and you would like to exercise your right of reply, you can do so by submitting another question.
